Attention Vacation Home Owners!!!

The past two years, during Teacher Appreciation Week, one of our former Baileywick families, the Catalanos, generously donated the use of their North Myrtle Beach vacation home for our Teacher Appreciation raffle. They are now enjoying middle school and no longer have children at Baileywick. So, we are reaching out to our Baileywick families who own vacation homes, at the beach or mountains, and asking you to consider donating the use of your home for our Teacher Appreciation Vacation raffle this year. The raffle will be held during Teacher Appreciation Week (February 1-5), but the trip can be taken at a time convenient for you and the winner.

If you can help, please contact me as soon as possible. Thank you for your consideration.

Our Safety Patrol students are working hard on a daily basis to continue to ensure the safety of our students!!! Way to go Safety Patrol!! What is Safety Patrol? Safety Patrol is a school club for Fifth grade students. These students were nominated by their classroom teachers at the end of Fourth grade. Students are chosen based upon their responsibility, dependability, citizenship, classroom work completion, conduct and the ability to relate well to others.

Safety Patrol members are used in many ways. Students assist with morning and/or afternoon bus and carpool duties, help with campus directions, assist students and staff as needed and act as a good role model. On a rotating basis, students get a chance to experience different jobs which keeps students alert and excited about their assignment. We commend all of our Safety Patrol students and their parents for their continued dedication and successful teamwork spirit. Equally important, each year our PTA provides us with two dedicated parent advisors that assist us with meeting with the students, organizing duties, student monitoring, and event scheduling. This year we are very appreciative to have another set of supportive parents, Caroline Bunce and Jennifer Scott!!

We are having an amazing year so far and I look forward to working with all of the current Safety Patrol students in 2010!!

Wrapping for Teachers

Amy Wilson, PTA President

The PTA is going to be wrapping Holiday Gifts for the Baileywick Staff. Please come out to help wrap Tuesday, December 15th at 9:15 in the cafeteria.

Holiday Hugs Gifts

Dee Bostick

If you are participating in the Holiday Hugs program this year, please note that no more than \$30.00 is suggested for gifts. Thanks to everyone who is helping to provide a happy holiday season for others this year!

Counselor Tip: Remember that children want to be good--to succeed, to be well thought of, and to think well of themselves.

Teacher Appreciation Week: Donations for Daily Drawings

Donna Schuster, Gradparent Chair

Teacher Appreciation Week will be the week of February 1-5. As our plans come together, we could use your help.

Again this year, we plan to have daily drawing for prizes during the week. Like last year, we'd like to have enough prizes for all staff members to win one. We will reach out to nearby businesses for some of the items, but we need your help to insure that everyone wins a prize.

If you own or work for a business that has a product, service or gift certificate that we could use, we'd be very appreciative! Or, if you have season tickets to the Hurricane's games or an area college's basketball games and would consider donating a couple of tickets for a game, we would be so grateful!

Also, keep us in mind during the holidays when you receive a gift that you don't plan to use or already have several of. Or, as you're cleaning out your closets and find those unopened, unused items (electronics, stationary, bath and body products, vases, glassware, candles, books, kitchen items, etc.), think of us!

We could also use baskets and decorative boxes for grouping small gifts together. Last year, we came up with several fun baskets from your donations, like the Romance Basket, including wine glasses, candle, message oil, cd, and chocolates, and the Fun in the Sun bag, which included a beach bag, beach towel, cooler and book.

Please contact me, if you can help out. We won't need the items until January, but I'd be happy to take them off your hands now, if you prefer. Thanks so much for your consideration!! dschuster@aol.com, 847-1838

News from Coach Norkus:

There will be a Physical Fitness Assembly on Friday, December 11th to celebrate the Presidential and National levels achieved from the testing. If your child is earning an award you should have received notification of this achievement by a letter sent home in last week's Monday folder. I hope you will plan to join us for this celebration. The First in Fitness team will also be introduced at the assembly.

12:30 - 1:00 1st grade assembly

1:10 - 1:50 2nd and 3rd grade assembly

2:00 - 2:40 4th and 5th grade assembly

In PE classes for the month of November students have been working on the soccer skills of dribbling, shooting and passing. The 4th and 5th grades enjoyed an assembly by two members of the Carolina Railhawks professional soccer team (Caleb Norkus and Andre B) on November 24th. It was wonderful for the students to see the high skill levels exhibited by the players and hear their positive message of hard work and dedication to make their dreams come true.

Social Skills Groups - Research Study

Dee Bostick, Counselor

3-C Institute for Social Development is offering free social skills training through a research study funded by the National Institute of Mental Health. Children will learn to develop positive relationships with peers and parents, build coping skills for dealing with bullying, teasing and peer pressure; and to build self-confidence, responsibility, and self-discipline. Parents will learn to effectively work with their kids on social skill development and social issues. Please visit www.3cisd.com for more information and to complete an online survey to see if your child is eligible to participate in the study. You may also email the Recruitment Coordinator, Erin Dale, at dale@3cisd.com or call 919-677-0102 ext. 554.

Baileywick Clothes Closet

Ms. Wall

Our Baileywick clothes closet is very low on some sizes. We are in need of winter clothes. We need small, medium, and large pants sizes for girls. We also need large size tops for girls too. For our boys, we need large size pants. If you have any of these sizes to donate, we greatly appreciated it, and thanks for all your help!
