News from Ms. Bostick

I am pleased to welcome Jillian Braaten, Baileywick's Counseling Intern for this semester, to our team. Here is a note of introduction from her:

I am excited to be starting my internship at Baileywick this semester! I am a graduate student at Appalachian State University and will be graduating with my Master's in Professional School Counseling this May. I completed my Undergraduate coursework at UNC-Chapel Hill and received my B.A. in Psychology and Communication Studies. My family has lived in Raleigh since 1998 and I graduated from Wakefield High School in 2003. I am thrilled to be back in Raleigh and be a part of the Baileywick community. I look forward to meeting you, and to the opportunity to work with your children.

Canned Food Drive for Wake Relief

Ms. Spivey

During January 11th to the 22nd, Baileywick Elementary School will be participating in a canned food drive for Wake Relief. This agency provides emergency food for Raleigh residents in need. They have helped to support over 1,500 families and 5,000 individuals, many of whom were children. They operate all year and can really use our support! We are asking for the students to bring canned foods or non-perishable items that can be donated to this organization. Ms. Spivey and the fifth grade service club will be keeping a total weight of the food each grade level brings in so let's see who can "pack on the pounds!"

*Ms. Spivey is also looking for parent volunteers who can help deliver the food. If interested please contact her at mspivey1@wcpss.net.

Counselor Tip: Remember that it is acceptance, and not praise, that builds self-esteem. Praise just builds dependency on the opinions of others for one's sense of self-worth.

So This Is Opera!

Ann Longrie, Cultural Arts Chair

On Thursday January 14th, all Baileywick students will attend *So This Is Opera* with Yvette Lewis. Ms. Lewis is a lyric soprano and has performed extensively throughout the eastern seaboard, including performances with the Washington Opera, Baltimore Opera, The Baltimore Symphony, the Washington Concert Opera and the Spoleto Festival in Melbourne, Australia. *So This Is Opera* is an innovative program which has been enjoyed by students and families along the eastern seaboard and the mid-west. Baileywick students will have hands on involvement in operatic vocal preparation and training techniques, acting, singing, instrument playing and conducting activities. They will learn an operatic aria and leave the program able to sing some of operas most beloved melodies.

With lots of humor sprinkled throughout, this program will convert even the staunchest opera haters.

Performances are on January 14 at 9:20 K-2 and 10:30 3-5. Parents are welcome attend.

Thank you Baileywick parents for your generous contributions to the Baileywick P.T.A. Your contributions make the Cultural Arts performances possible for our children. *So This Is Opera* was also supported by a grant from the United Arts Council of Raleigh and Wake County. If you would like additional information regarding the Cultural Arts program, or if you would like to help, contact Ann Longrie, Cultural Arts Chair, alongrie@nc.rr.com.

ESL Testing Assistance Needed

Ms. Worrell

ESL will be administering their annual ACCESS testing the week of February 22, 2010. We need parents to volunteer to serve as proctors for our testing sessions. Each session is approximately 75 minutes long, but if volunteers can help with more than one session, it would be very helpful. Please e-mail Ann Marie Pitre at apitre@wcpss.net or Mary Worrell at mworrell@wcpss.net if you can serve as a proctor. Please tell us your name, e-mail address, and phone number so we can contact you about specific session times.

Thank you for your support!
