Also, Monday, Feb. 15, which was scheduled as a Teacher Work Day, has been posted as a makeup day, as is June 10 at the end of the year. Refer to the website for the latest information.

## Greetings from Ms. Flowers Assistant Principal

I hope everyone has had a productive start to their New Year thus far!! Below are just a few reminders for you to note as we continue to move forward through the remainder of the school year:

- Carpool-Please make sure that students have all of their belongings, backpacks etc. accessible to them so that they are ready to depart in a timely manner. If your child (ren) needs to retrieve projects or donations from the car's trunk, please park and escort your child across the carpool lane.
- Bus-Please review Bus behavior expectations with your child (ren) at home. It is important that all students are facing forward, seated, and are quiet while the bus is moving to ensure their safety.
- Inclement Weather-If inclement weather occurs, refer to your local news channel for further information regarding WCPSS changes. Students will be dismissed according to their regular mode of transportation. However, if your child attends the YMCA for afterschool, those students will be car riders.
- Report Cards-Report cards went home Friday. This will be the first time that Kindergarten and First Grade students received them. Please be sure that you have received and reviewed your child's report card.

## Pictures Needed!

The Yearbook Committee is now putting the yearbook together. If you have any pictures of school events, or your child's classroom activities, we'd love to use them! Please forward on to [amynagle@hotmail.com](mailto:amynagle@hotmail.com), or call Amy at 803-3785. Thanks.

**Counselor Tip:** Trust in your child's ability to solve most problems by him or herself.
