PTA Membership

The PTA's mission is to enrich and support the education of every child at Baileywick. We are a nonprofit organization consisting of Baileywick parents, teachers & staff who want our school to BE a wonderful place for our children to learn and grow. PTA members have an active voice in deciding what enrichment programs are at our school. Membership dues to join our PTA are nominal, but powerful. We provide time & money to support enrichment programs throughout the school year including: wonderful Cultural Arts programs; supplemental classroom supplies & student incentives; much needed funds to offset the cost of field trips; annual Fall Gathering event; Family Movie Nights; the Science Expo; Super Kids Day... and so much more!!!

Link It for the Kids!

Take two minutes now and support your children for the rest of the school year. By linking your Harris Teeter VIC, Food Lion MVP, and Kroger Plus Rewards card, you will earn money directly for our school. There is no cost to you and it will not interfere with your current savings. It's easy, just write down the numbers located below the bar code on the back of each of your savings cards and we'll do the rest. If you prefer to relink the cards yourself go to our Baileywick PTA website and look up our School ID & Rewards website links for each program.

Join the Pack... Join the PTA & Volunteer!

Being part of the PTA is more than paying a membership fee - we need volunteers! Volunteering is a fun way to become part of the school community where your child spends so much of his/her day. All you need is a love for children and an interest in their education. Any necessary training or special instructions will be provided.

There are many ways for parents and grandparents to help. While the PTA has over 25 different committees, we need volunteers to work with committee chairs in executing our programs and events. A full listing of our committees with descriptions and names of committee chairs can be found on the PTA's website www.baileywickpta.org. If you are able to provide support during the school year, please consider adding your name to one of the following teams so that we may contact you to help out.
